3. Information Other than the Financial Statements and Auditor's Report thereon

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

4. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Accounting Policies have been consistently applied by the Company and are consistent with those used in the previous year.

1C. USE OF ESTIMATES

The Preparation of Financial Statements in conformity with the Accounting Standards generally accepted in India requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of the Financial Statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in current and future periods. Management believes that the estimates made in the preparation of financial statements are prudent and reasonable

1D. VALUATION OF INVENTORIES

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1G. IMPAIRMENT OF ASSETS

1H. INVESTMENTS

1K. TAXES ON INCOME

Tax Expense comprises of Current and Deferred tax.

Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income Tax Act, 1961.

The Deferred Tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the balance sheet date. Deferred Tax Assets arising from timing differences are recognized to the extent there is reasonable certainty that these would be realized in future.

Reason for increase in Deferred Tax Liability of 2024-25 is because there is considerable addition to Fixed Assets resulting in increased depreciation as per income tax compared to Companies Act, 2013.

There has been short provision of Rs.18402 in the previous year which is adjusted in reserves and surplus in current year.

1L. LEASES

There are no Assets on Finance Lease

1M. PROVISIONS AND CONTINGENCIES

Provisions are recognised for when the company has at present legal or contractual obligations as result of past events, only if it requires the outflow of resources embodying economic benefits and if the amount involved can be measured reliably, otherwise the same is treated as contingent liabilities.

These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent Liabilities are possible but not probable obligations as on balance sheet date, based on the available evidence. Provisions are recognised when there is a present obligation as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Details of Contingent Liability are as follows :-
